**Greek goddess**

Show off your feminine wiles in a dynamite dress complete with draping, pleats and gathers.

**WEAR IT WELL**

- \* Use embellishments to draw attention to your best features. Have gorgeous gems? Look for detailing around the dress hem. Love your cleavage? Choose a plunging neckline.
- \* This is the season to wow 'em with your waist. An empire cut is universally flattering and the secret to emphasizing – or faking – a va-va-voom hourglass figure.
- \* Spice it up with modern accessories like a colourful clutch and metallic accents.
